

# Maple Leaf Receives \$4.8 million in Subscriptions for Private Placement

(TSX-V: MGW)

---

**For Immediate Release**

**March 21, 2017 – \$0.52**

**CALGARY, ALBERTA** - Maple Leaf Green World (MGW-V) ("**Maple Leaf**" or the "**Company**") announces it has received subscriptions for 8,783,382 units (\$4,830,860) in respect of its previously announced (see the Company's news release dated March 17, 2017) non-brokered private placement of up to 11,000,000 units @\$0.55 (\$6,000,000). The Company is applying to the TSX Venture Exchange for conditional acceptance of its private placement and intends to close on the subscriptions received upon receipt thereof. Each unit offered under the private placement consists of one common share of Maple Leaf and one common share purchase warrant. Each warrant entitles the holder to purchase one additional common share of the Company at an exercise price of \$0.85 for two years from the date of issue.

All securities to be issued under the private placement (upon acceptance by the Exchange) will be subject to restrictions on resale for a specified period of not less than four months after closing. The net proceeds of this financing will be used to advance the Company's B.C. medical marijuana project and for general corporate purposes.

## **About Maple Leaf Green World Inc.**

Maple Leaf Green World Inc. is a public Canadian company that focuses on the cannabis industry in North America. With over 10 years of extensive greenhouse management experience, it applies its eco- agriculture knowledge and cultivation technology to produce contaminant -free organic cannabis products. The Company is currently involved in three cannabis projects:

1. Canada – The Company has applied for an ACMPR license for an 80,000 sq ft greenhouse complex in B.C. in August 2014 and is now in Stage 5 (Review) with Health Canada.
2. California – The Company is in a joint venture with a Non- Profit Co-Op to cultivate cannabis for its members. The Company owns 20 acres of land and has 2 greenhouses in production since September 2016. The site on which the joint venture operates has capacity for additional greenhouses. Maple Leaf is also applying for a cultivation license in the San Diego area.
3. Nevada – The Company is in the process of acquiring a cultivation permit for a 33,500 sq ft facility from an existing licensee and has plans for a facility operating in the city of Henderson, 15 miles from Las Vegas.

Maple Leaf's long-term objective is to produce cannabis oil and export its products to approved countries.
