It will be available in an archived link for 60 days following at this site.

About Athabasca Oil Corporation

Athabasca Oil Corporation is a dynamic, Canadian energy company with a diverse portfolio of thermal and light oil assets. Situated in Alberta's Western Canadian Sedimentary Basin, the Company has amassed a significant land base of extensive, high quality resources. With 10.6 billion barrels of bitumen resources (contingent resources, best estimate) and growing light oil production, Athabasca is positioned to become a major oil producer. Athabasca's common shares trade on the TSX under the symbol "ATH". For more information, visit www.atha.com.
