

## Athabasca Oil Corporation to Present at the 2012 CAPP Investment Symposium

CALGARY, Dec. 5, 2012 /CNW/ - Rick Koshman, vice president projects & thermal operations and Gary McMurren, director light oil, will present at the 2012 Canadian Association of Petroleum Producers Investment Symposium in Toronto, Ontario on Tuesday, December 11, 2012 at 2:00 pm ET and on Wednesday, December 12, 2012 at 1:30 pm ET. The presentation will include information detailing Athabasca's thermal oil assets, activities in light oil and future growth opportunities. To listen and view this online event, please visit:

<http://www.capp.ca/aboutUs/events/CAPPOilGasSymposium/Pages/default.aspx>.

Presentation slides will be available at the symposium or visit Athabasca's website at [www.atha.com](http://www.atha.com).

### **About Athabasca Oil Corporation**

Athabasca is a dynamic, Canadian company focused on the development of oil resource plays in Alberta, Canada. The Company has accumulated an extensive, high quality resource base suitable for the extraction of thermal crude oil (bitumen) and light oil. Well financed and well endowed with quality assets and talented people, Athabasca is poised to become a major Canadian oil producer. It aspires to produce more than 200,000 boe/d by 2020, comprised of a 50/50 weighting of thermal and light oil. Athabasca is traded on the TSX under the symbol "ATH." For more information, visit [www.atha.com](http://www.atha.com).
