Rick Sykes Joins Intellicheck Mobilisa

Port Townsend, WA – August 26, 2008: Intelli-Check - Mobilisa, Inc. (AMEX: IDN) is pleased to announce Mr. Rick Sykes as their new Director of Government Business Development.

Sykes' main duties include maintaining and creating new business relationships with the military, Department of Homeland Security, and numerous other government agencies involved in next-generation identity systems. Sykes will also manage the company's government sales force for the Defense ID product line and the new Transportation Worker Identity Credential (TWIC) reader.

Sykes is a military combat veteran in the US Navy with over 25 years of sales and business development experience in the Federal Government. His most recent position was with Eid Passport as the Director of Military Business Development for the RAPIDGate program and he was previously with Holocom Networks, Netaccess, and Tylink.

"Rick's strong business development background and knowledge of identity systems makes him the perfect fit for Intellicheck Mobilisa. We are pleased he joined our team," said CEO Dr. Nelson Ludlow.

###

Intellicheck Mobilisa is a leading technology company, developing and marketing wireless technology and identity systems for various applications including: mobile and handheld wireless devices for the government, military and commercial markets. Products include the Defense ID system, an advanced ID card access control product currently protecting over 50 military and federal locations. ID-Check is a technology that instantly reads, analyzes, and verifies encoded data in magnetic stripes and barcodes on government-issue IDs from approximately 60 U.S. and Canadian jurisdictions to determine if the content and format are valid.
