Viridis Energy begins trading on OTCQX
Canadian company dual listing in the US

Vancouver – November 4, 2010 - Viridis Energy Inc. (TSX-V: VRD) (OTCQX: VRDSF) (the “Company”) is pleased to announce it has begun trading in the U.S., on the OTC market’s prestigious tier, OTCQX International, under symbol VRDSF.

Viridis Chief Executive Officer, Christopher Robertson said: “We are pleased to offer our growing US-based investors the ability to trade our securities directly using the OTCQX platform, which offers investors transparent trading and easy access through their regulated U.S. broker-dealers.”

Viridis investors can find current financial disclosure and Real-Time Level 2 quotes for the Company on www.otcqx.com or www.otcmarkets.com.

“OTCQX companies demonstrate their commitment to providing superior information to investors and maintaining the highest quality standards,” said R. Cromwell Coulson, President and CEO of Pink OTC Markets. “We are pleased to welcome Viridis Energy to OTCQX.”

Berns & Berns, Counsellors at Law will serve as the Company’s Principal American Liaison (“PAL”) on OTCQX, responsible for providing guidance on OTCQX requirements.

About Viridis Energy Inc.

Viridis Energy Inc. (TSX: VRD-V) is a publicly traded, "cleantech" energy company specializing in the production and distribution of premium, softwood pellets, an alternative heating and energy source. Located in Vancouver, B.C., Viridis Energy operates Cypress Pacific Marketing and Okanagan Wood Pellets, two acquisitions in the wood pellet sector, thus providing the company with vertical integration for distribution and manufacturing.

Forward-looking Statements

Certain statements in this release are forward-looking statements, which reflect the expectations of management regarding the Company's future operations. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such statements are subject to risks and uncertainties that may cause actual results, performance or developments to differ materially from those contained in the statements. No assurance can be given that any of the events anticipated by the forward-looking statements will occur or, if they do occur, what benefits the Company will obtain from them. These forward-looking statements reflect management's current views and are based on certain expectations, estimates and assumptions which may prove to be incorrect. A number of risks and uncertainties could cause our actual results to differ materially from those expressed or implied by the forward-looking statements, including: (1) a continued downturn in general economic conditions in North America and internationally, (2) the inherent uncertainties associated with the demand for biofuels, (3) the risk that the Company does not execute its business plan, (4) inability to finance operations and growth (5) inability to retain key management and employees, (6) ; an increase in the number of competitors with larger resources, and (7) other factors beyond the Company's control. These forward-looking statements are made as of the date of this news release and the Company intends to update such forward looking information in the Company's MD&A in the event that actual results differ materially from such forward-looking statements contained herein. Additional information about these and other assumptions, risks and uncertainties are set out in the "Risks and Uncertainties" section in the Company's MD&A filed with Canadian security regulators.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
